

6. Design Principles

6.1 Introduction

This section will outline the design principles for the input and output designs including a CRUD, the navigation bar, main screen examples, reports, emails, and messages. These designs will form the basis for the future designs for the SafariSync system.

6.2 Interface Input Design

6.2.1 Admin Send Registration Link Screen

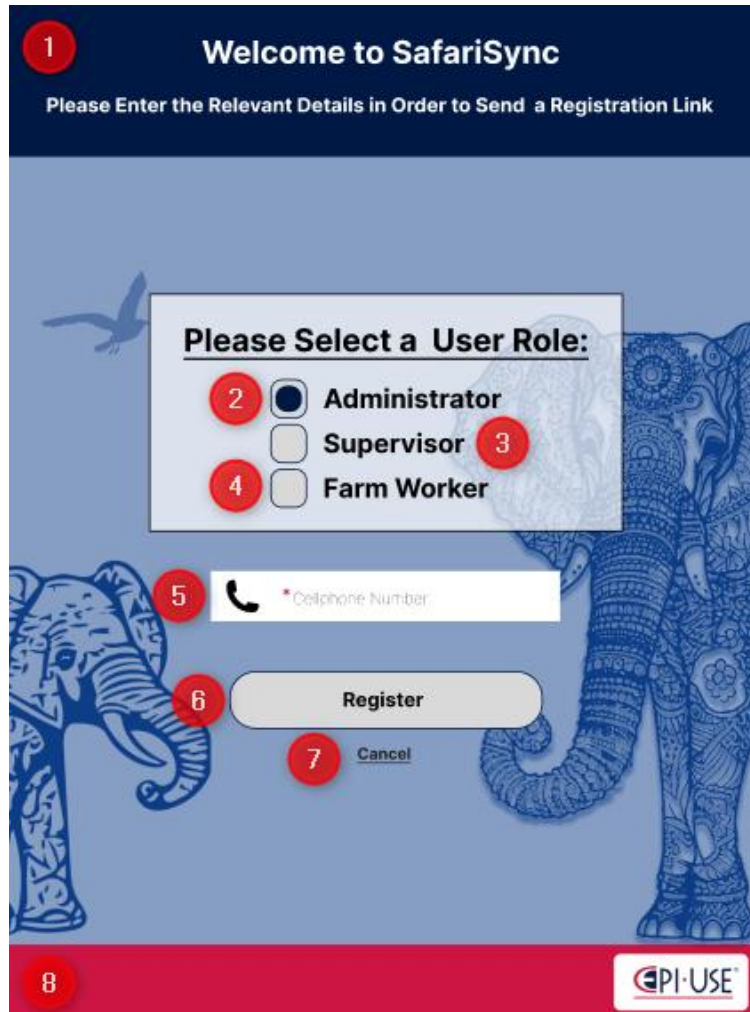

Figure 1: Admin Send Registration Link Screen

#	Item Name	Item Description	Design Principle
1	Screen Heading	Contains the heading of the screen.	Avenir Next LT Pro Light, 24 pt , White
2	Administrator check box	Allows the user to select if they user role is administrator.	Avenir Next LT Pro Light, 24 pt , Black
3	Supervisor check box	Allows the user to select if they user role is Supervisor.	Avenir Next LT Pro Light, 24 pt , Black

#	Item Name	Item Description	Design Principle
4	Farm worker check box	Allows the user to select if they user role is Farm worker.	Avenir Next LT Pro Light, 24 pt , Black
5	Cell phone number input	Allows the user to enter their cell phone number.	Avenir Next LT Pro Light, 12 pt , Gray
6	Register Button	When clicked the system will send the information to the admin who will then send the SMS.	Avenir Next LT Pro Light, 15 pt , Black
7	Cancel button	When clicked the system will close this screen.	Avenir Next LT Pro Light, 12 pt , Black
8	Screen footer	Contains the footer of the screen.	Epi-Use Red

Table 1: Admin Send Registration Link Screen

6.2.2 Admin Registration Screen

The screenshot shows the 'Welcome to SafariSync' registration screen. It features a dark blue header with the title and a sub-header 'Please Register your User Profile'. Below this, there are several input fields for user registration, each with a red circular callout number. The fields are: 'Administrator' (1), 'Name' (2), 'Surname' (3), 'ID/Passport Number' (4), 'Email Address' (5), 'Cellphone Number' (6), 'Create Password' (7), and 'Confirm Password' (8). There is also a section for 'Upload Photo of ID Card/ Passport:' with a 'Browse' button (9) and a 'No file chosen' status. At the bottom, there are 'Register' (10) and 'Cancel' (11) buttons. The footer (12) contains the EPI-USE logo. The background features a blue elephant illustration.

Figure 2: Admin Registration Screen

#	Item Name	Item Description	Design Principle
1	Screen heading	Contains the heading of the screen.	Avenir Next LT Pro Light, 24pt ,White
2	Name input	Allows the admin to enter their name.	Avenir Next LT Pro Light, 12 pt , Gray
3	Surname input	Allows the admin to enter their surname.	Avenir Next LT Pro Light, 12 pt , Gray
4	ID/passport input	Allows the admin to enter their ID number.	Avenir Next LT Pro Light, 12 pt , Gray
5	Email address input	Allows the admin to enter their Email address.	Avenir Next LT Pro Light, 12 pt , Gray

#	Item Name	Item Description	Design Principle
6	Cell phone number input	Allows the admin to enter their cell phone number	Avenir Next LT Pro Light, 12 pt , Gray
7	Create password input	Allows the admin to enter their new password.	Avenir Next LT Pro Light, 12 pt , Gray
8	Confirm password	Allows the admin to re-enter their password for confirmation.	Avenir Next LT Pro Light, 12 pt , Gray
9	Browse Button	When clicked the system will open a file dialog where the admin is able to select their photo.	Avenir Next LT Pro Light, 12 pt , Black
10	Register Button	When clicked the system will register the admin as a user on the system.	Avenir Next LT Pro Light, 15 pt , Black
11	Cancel Button	When clicked the system will close this screen.	Avenir Next LT Pro Light, 12 pt , Black
12	Screen footer	Contains the footer of the screen.	Epi-Use Red

Table 2: Admin Registration Screen

6.2.3 Employee Registration Screen

The image shows the 'Welcome to SafariSync' registration screen. It features a dark blue header with the title and a sub-header 'Please Register your User Profile'. Below this, there are several input fields for registration: 'Supervisor' (with a person icon), 'Name' (with a person icon and an asterisk), 'Surname' (with a person icon and an asterisk), 'ID/Passport Number' (with a document icon and an asterisk), 'Cellphone Number' (with a phone icon and an asterisk), 'Create Password' (with a lock icon, an asterisk, and a toggle eye icon), and 'Confirm Password' (with a lock icon, an asterisk, and a toggle eye icon). Below these fields is a section for 'Upload Photo of ID Card/ Passport:' with a 'Browse' button and the text 'No file chosen'. At the bottom of the form are 'Register' and 'Cancel' buttons. The background features a blue elephant illustration. Red numbered circles (1-12) highlight specific UI elements: 1 (Header), 2 (Supervisor field), 3 (Name field), 4 (Surname field), 5 (ID/Passport field), 6 (Cellphone field), 7 (Create Password field), 8 (Confirm Password field), 9 (Browse button), 10 (Register button), 11 (Cancel button), and 12 (Footer).

Figure 3: Employee Registration Screen

#	Item Name	Item Description	Design Principle
1	Screen heading	Contains the heading of the screen.	Avenir Next LT Pro Light, 24pt , White
2	Supervisor heading	Contains the heading of the current user.	Avenir Next LT Pro Light, 12pt , Black
3	Name input	Allows the Employee to enter their name.	Avenir Next LT Pro Light, 12pt , Gray
4	Surname input	Allows the Employee to enter their surname.	Avenir Next LT Pro Light, 12pt , Gray
5	ID/passport input	Allows the Employee to enter their ID number.	Avenir Next LT Pro Light, 12pt , Gray

#	Item Name	Item Description	Design Principle
6	Cell phone number input	Allows the Employee to enter their cell phone number.	Avenir Next LT Pro Light, 12pt , Gray
7	Create password input	Allows the Employee to enter their new password	Avenir Next LT Pro Light, 12pt , Gray
8	Confirm password	Allows the Employee to re enter their password for confirmation.	Avenir Next LT Pro Light, 12pt , Gray
9	Browse Button	When clicked the system will open a file dialog where the Employee is able to select their photo.	Avenir Next LT Pro Light, 12pt , Black
10	Register Button	When clicked the system will register the Employee as a user on the system.	Avenir Next LT Pro Light, 15pt , Black
11	Cancel Button	When clicked the system will close this screen.	Avenir Next LT Pro Light, 12pt , Black
12	Screen footer	Contains the footer of the screen.	Epi-Use Red

6.2.4 Login Screen

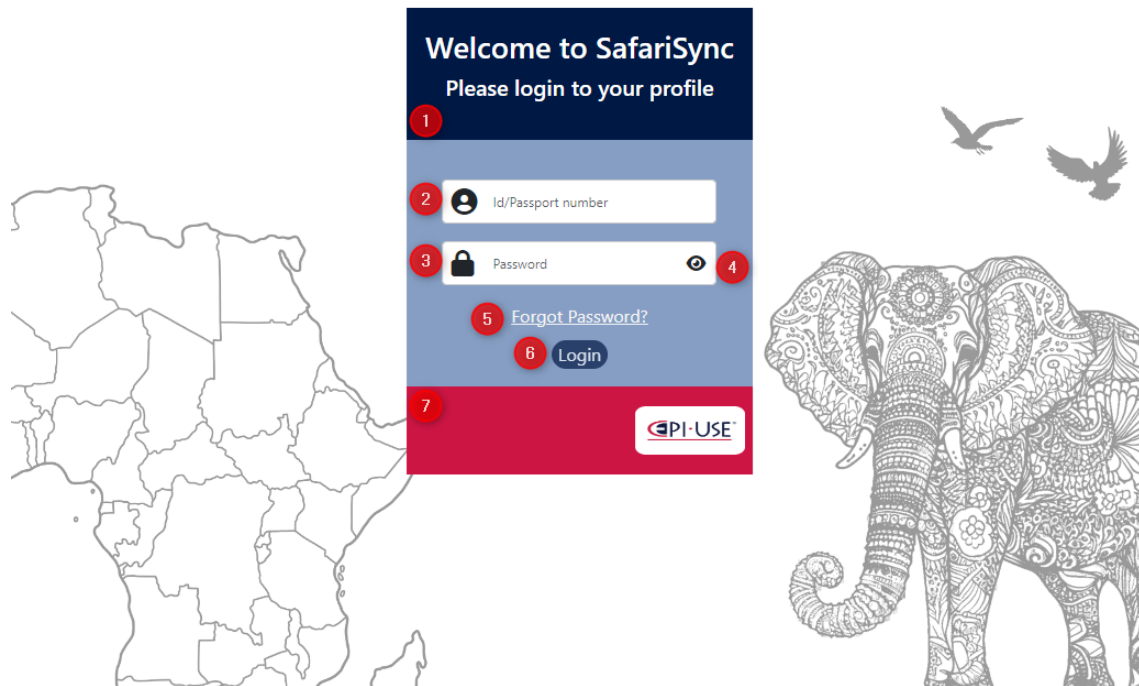

Figure 4: Login Screen

#	Item Name	Item Description	Design Principle
1	Screen heading	Contains the heading of the screen.	Avenir Next LT Pro Light, 12pt, White
2	ID/passport input	Allows the user to enter their ID number.	Avenir Next LT Pro Light, 12pt , Gray
3	Password input	Allows the user to enter their password. Password will be hash protected.	Avenir Next LT Pro Light, 12pt , Gray
4	Login Button	When clicked, if the required information is correct the user will be logged in to their account.	Avenir Next LT Pro Light, 15pt , Black
5	Show Password Button	When clicked will show the hashed password information to the user.	Eye icon

#	Item Name	Item Description	Design Principle
5	Forgot password link	When clicked the user will be rerouted to the forgot password screen.	Avenir Next LT Pro Light, 12pt , Black
6	Cancel Button	When clicked the system will close this screen.	Avenir Next LT Pro Light, 12pt , Black
7	Screen footer	Contains the footer of the screen and Epi-Use logo.	Epi-Use Red and Epi-Use logo

Table 4: Login Screen

6.2.5 Forgot Password Screen

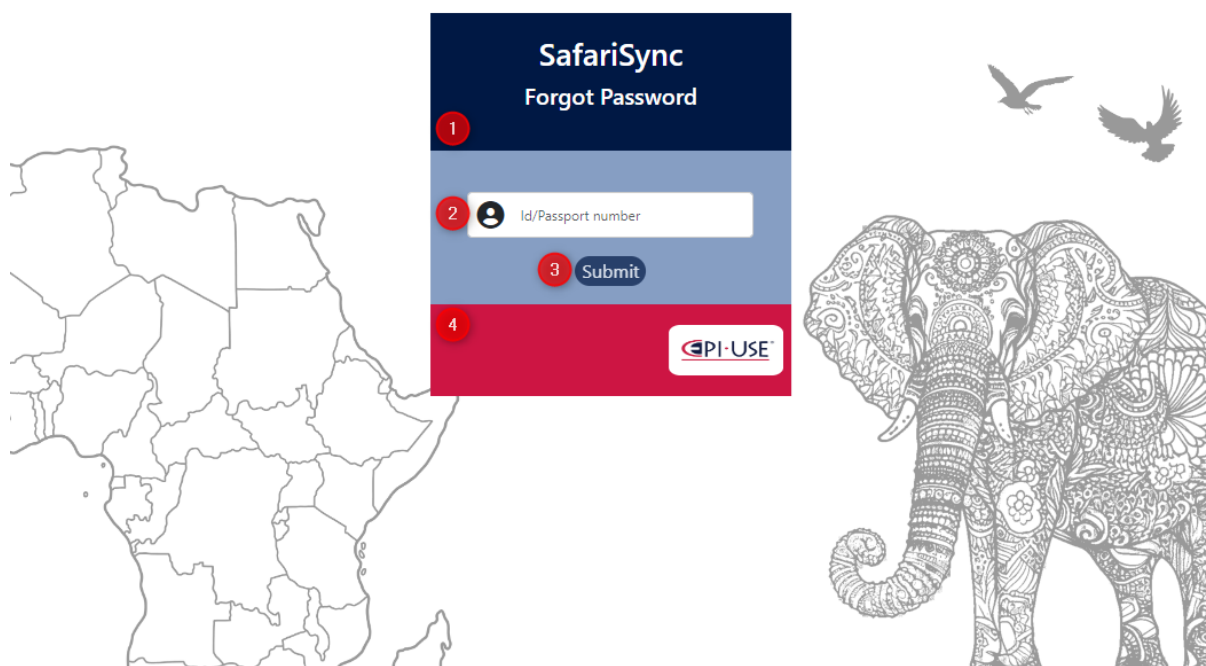

Figure 5: Forgot Password Screen

#	Item Name	Item Description	Design Principle
1	Screen heading	Contains the heading of the screen.	Avenir Next LT Pro Light, 24pt ,White
2	ID/passport input	Allows the user to enter their ID/Passport number.	Avenir Next LT Pro Light, 12pt , Gray
3	Submit Button	When the button is clicked, it will route the user to the Reset password screen.	Avenir Next LT Pro Light, 12pt , White
4	Return Button	When clicked the system will close this screen and go back to the login screen.	Avenir Next LT Pro Light, 12pt , Gray
5	Screen footer	Contains the footer of the screen and Epi-Use logo.	Epi-Use Red and Epi-Use logo

Table 5: Forgot Password Screen

6.2.6 Change Password Screen

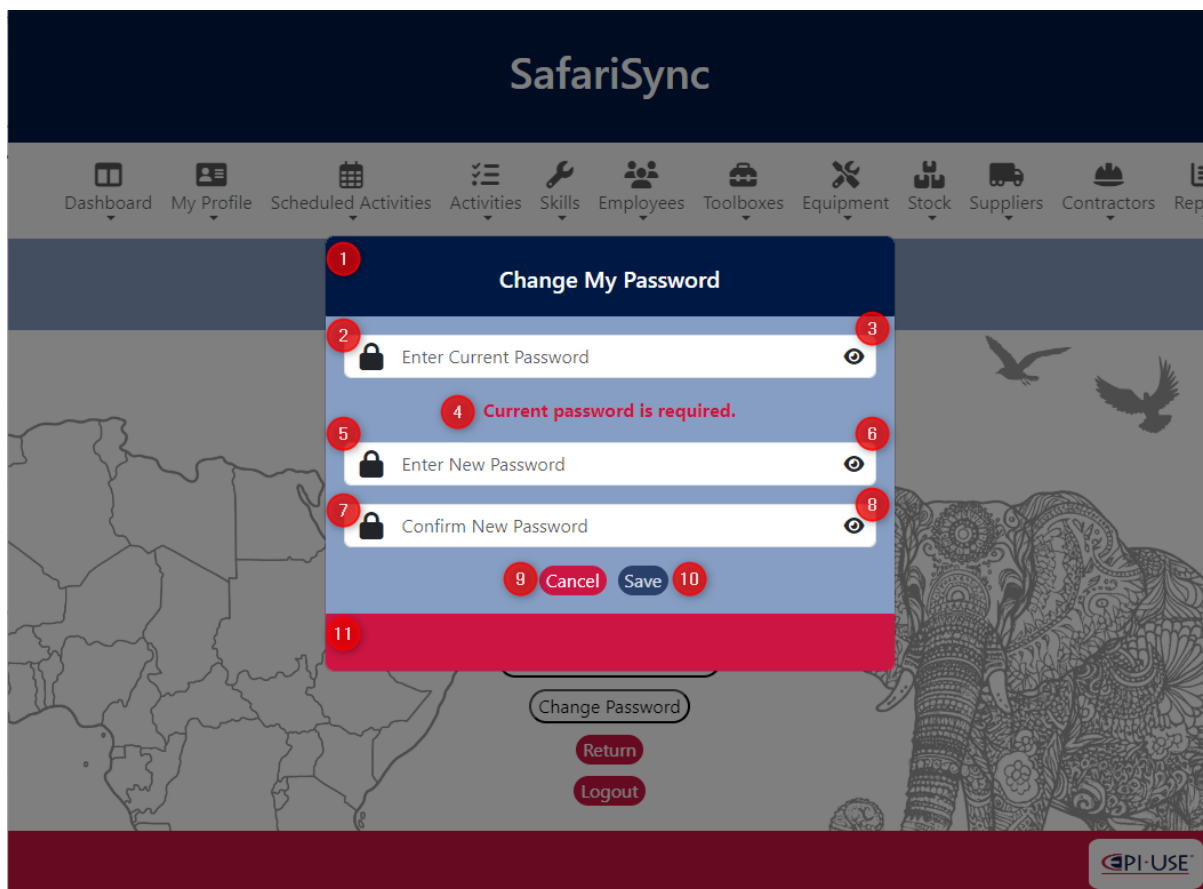

Figure 6: Reset Password Screen

#	Item Name	Item Description	Design Principle
1	Screen heading	Contains the heading of the screen.	Avenir Next LT Pro Light, 24pt ,White
2	Enter current password input	Allows the user to enter their current password.	Avenir Next LT Pro Light, 12pt , Gray
3	Show Password Button	When clicked will show the hashed password information to the user.	Eye icon
4	Current Password Validation message.	Current Password is required validation message.	Avenir Next LT Pro Light, 12pt , Red
5	Enter new password input	Allows the user to enter their new password	Avenir Next LT Pro Light, 12pt , Gray

#	Item Name	Item Description	Design Principle
6	Show Password Button	When clicked will show the hashed password information to the user.	Eye icon
7	Confirm new password	Allows the user to re-enter their password for confirmation.	Avenir Next LT Pro Light, 12pt , Gray
8	Show Password Button	When clicked will show the hashed password information to the user.	Eye icon
9	Cancel Button	When clicked the system will close this screen and go back to the login screen	Avenir Next LT Pro Light, 12pt , Black
10	Save Button	When clicked the user's password will be changed if all input fields are correct.	Avenir Next LT Pro Light, 12pt , Black
11	Screen footer	Contains the footer of the screen	Epi-Use Red

6	Search bar	Will allow the user to search for a specific scheduled activity	Avenir Next LT Pro Light, 16pt ,Black
7	Schedule activity table	Will contain the activity name as well as the description and due date	Avenir Next LT Pro Light, 16pt ,Black

#	Item Name	Item Description	Design Principle
8	Schedule Task button	When clicked the system will open a modal which will allow for the user to schedule a task	Avenir Next LT Pro Light, 16pt ,Black
9	Full details button (in the table)	When clicked the system will allow the user to view all the details regarding the activity	Avenir Next LT Pro Light, 16pt ,Black
10	Update button (in the table)	When clicked the system will allow the user to update all the details regarding the activity	Avenir Next LT Pro Light, 16pt ,Black
11	Delete button (in the table)	When clicked the system will allow the user to delete the scheduled activity	Avenir Next LT Pro Light, 16pt ,Black
12	Screen footer	Contains the footer of the screen	Epi-Use Red

Table 22: View Scheduled Activities Screen

6.2.9 Schedule Activity Screen

The screenshot shows the 'Schedule Activity' screen. It includes a header bar (1), an 'Activity' dropdown (2), 'Start Date' (3) and 'Completion Date' (4) dropdowns, a 'Location' dropdown (5) showing 'East Barn', a 'Supervisor' dropdown (6), a 'Send Activity Request to Supervisor' button (7), a 'Tasks' table (8), a 'Cancel' button (10), and a 'Schedule Activity' button (11). The table lists tasks like 'Sand Barn', 'Prime Barn', and 'Paint Barn' with their descriptions, dates, and acceptance status. A footer bar (12) contains the EPI-USE logo.

Task	Task Description	Start Date	Completion Date	Acceptance Status	
Sand Barn	Barn must be sanded	2023/01/01	2023/01/02	Not Accepted	Schedule Task
Prime Barn	Primer must be applied	2023/01/02	2023/01/03	Accepted	Schedule Task
Paint Barn	Paint must be applied	2023/01/03	2023/01/05	Not Accepted	Schedule Task

Figure 23: Schedule Activity Screen
